EDITORIAL

I think we all enjoyed 'A Magical Christmas' immensely. The only criticism I heard - and I agreed - was that the nativity play rehearsal was much too long. The rest went well, with some very good performances ; the 'flash-back' scene was very convincing.

The April play sounds refreshingly different and its intriguing title may well create interest and sell a lot of tickets. We all wish Julie well with her first production.

We will all meet at the Annual General Meeting. Don't forget the date.

Norah.

TREASURER'S REPORT

As you know, 2006 started well with a record-breaking profit of almost £1800 on the Christmas show. Congratulations must go to all who helped to make it such an outstanding financial success.

Let us hope we can keep it up for the rest of the year, bearing in mind that we shall be one production short with no July play this year.

2005 accounts have now been audited and will be presented at the A.G.M. I would like to thank Alex Martin for continuing to audit our accounts and for making sense of my figures! Also I would like to thank John Eddleston for his work as Business Manager; his show accounts make my work much easier.
